Discussion Guide

ENGAGE

1. When you were a kid, what did you want to be when you grew up? How did that change over time?
2. Talk about what you think your purpose is. Why do you exist? How does the Bible help us answer that question?
3. How is the Church a new garden of Eden? Why is that important in the world we live in?
4. Read John 14:15-16. How does this statement from Jesus make you feel? How does that relate to our purpose? How does this compare with John 15:1-10?

APPLY

We have been made with a purpose. We can choose to live in that purpose or ignore it. This week, how can we live out our purpose of following God and being part of the Church? How can this impact the world around us?
