

## Youth Internship

---

We develop future church leaders, and Redeemer Internships are the most hands-on and extensive way to be developed. Interns are major contributors to the ministry of Redeemer, helping our team accomplish a greater vision while learning and growing in their own skills and spiritual development through meaningful work and experience.

### *We are looking for interns who are:*

- Passionate about discipling youth in their relationship with Jesus Christ.
- At least 18 years old.
- Hard-working, driven, and teachable leaders.
- Considering making ministry a full-time calling and looking for meaningful experience.
- Desiring to grow in their public speaking and communication skills.
- Hungry to be coached and mentored in their spiritual and character development.

### *What you would do as a Youth Intern:*

- Work with and be coached by the Youth Director to lead groups and facilitate activities.
- Plan, create, and execute curriculum including events and retreats.
- Develop and lead youth volunteers.
- Prepare and deliver relevant and engaging messages.
- Help manage the Redeemer Youth social media.
- Lead or co-lead a Growth Group of students.

### *Here's what you also get as an intern:*

- \$600 monthly compensation.
- 10 hours weekly of real ministry experience.
- Personal and professional coaching and mentoring.
- A cohort of interns to connect with and learn from.
- Monthly leadership development learning with your cohort of interns.
- Intentionality to complete any internship requirements for your education.

### *We'd also love if you:*

- Can make us (and most other people) laugh.
- Have trendy TikTok sounds on repeat in your head.
- Love turning normal activities into games.

### *Take the next step and apply:*
